DISCLAIMER: The United States Embassy in Brussels, Belgium assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the medical professionals, medical facilities or air ambulance services whose names appear on the following lists. Inclusion on this list is in no way an endorsement by the Department of State or the United States Embassy. Names are listed alphabetically, and the order in which they appear has no other significance. The information in the list on professional credentials and areas of expertise are provided directly by the medical professional, medical facility or air ambulance service; The Embassy is not in a position to vouch for such information. You may receive additional information about the individuals and facilities on the list by contacting local medical boards and associations (or its equivalent) or local licensing authorities.

Medical Facilities in the Consular District of Belgium

1. Emergencies

To reach a doctor in an emergency, call the emergency medical and ambulance service at number 100 or 112. Telephone 100 or 112 may be used for all emergencies. Ambulance services are provided at any time of the day or night and will transport the patient to the nearest hospital. An attendant accompanies the ambulance; depending on the case, a member of the family and/or doctor may accompany the patient as well. You may also call the "Doctor on Duty" ("Dokter van wacht" - "Médecin de Garde"), indicated in your local newspaper, or the closest clinic or hospital.

2. Regular Service

All doctors are listed alphabetically in the telephone directory under the heading "Dokters in de Geneeskunde" - "Docteurs en Médecine"; we have listed some English speaking doctors, according to location. A number of clinics and hospitals are also listed. Although all these doctors and institutions enjoy a good reputation, the Embassy of course cannot assume responsibility for their professional ability or integrity.
