

## E Visas for Family Members of Current E Visa Holders

- If you are the legally married spouse or unmarried child under the age of 21 of an E visa holder, you may schedule your appointment for a derivative visa online. First register and pay the application fee(s), one for each applicant, using the online appointment system. Then, schedule your interview. Please DO NOT SEND the passport.
- At the time of the interview, the following documents are required for each family member: a DS-160 confirmation page generated by the online system, passport, and photocopy of the principal applicant's E visa. In addition, bring the marriage certificate or birth certificate to demonstrate proof of the relationship between the principal applicant and the derivative family members. All applicants above the age of 14 and under the age of 80 must appear at the embassy for a personal interview. Children under the age of 14 do not need to come to the Embassy.
